How to Make Paracord Survival Bracelets [STEP BY STEP]

So, here's how we can make our first paracord survival bracelet Step One: Measure Paracord . Measure and cut an 8 ft. piece of paracord. Match up two ends and find the center of the piece. Step Two: Thread through the Buckle . The top of the buckle will have a seam where two pieces (male and female) connect. Locate this. This seam should be on the right side of the buckle. Next, insert the apex of the loop from the top of the right side of the buckle, down through the opening.
